

Core Plan Overview

UnitedHealthcare Core is an open-access commercial member benefit plan that features a customized, more focused, narrow network of care providers.

Key Features

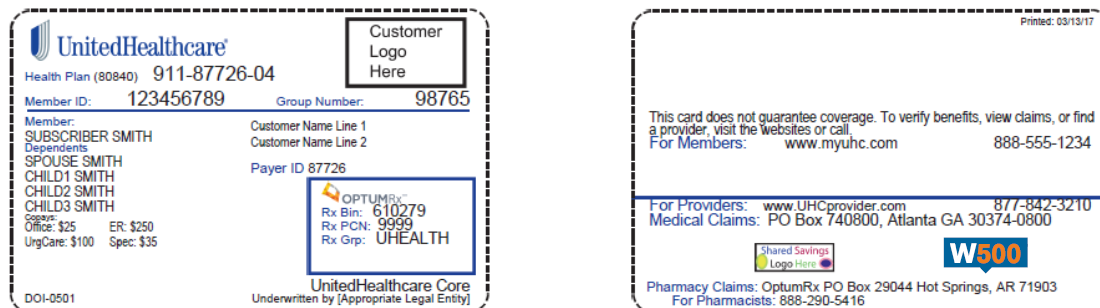

- Members have access to a national network of care providers.
- Members can choose any network physician or health care professional without a referral, and without designating a primary care physician.
- Includes variable out-of-network and out-of-area benefits that vary by plan model.
- Standard prior authorization and notification requirements apply.

Benefits

Plan Models	Benefits	Provider Referrals	Out-of-Network
Core Essential	Network care providers only	Not applicable	No coverage*
Core	Network and non-network care providers	Not applicable	Lower benefits

* Except for emergency services and related admissions.
